## 2nd Annual Grand Rapids Riverfest Presented by KAXE and the City of Grand Rapids

Northern Minnesota will be seeing some of music's top acts coming through for the 2nd annual Grand Rapids Riverfest, Saturday, September 10, 2022 at the Grand Rapids Library Amphitheater. A collaboration between KAXE (Northern Community Radio) and the City of Grand Rapids, the Grand Rapids Riverfest just announced the lineup for this year's event.

### WILCO

A seven-time nominee and two-time Grammy winner, Wilco is an indie rock band that formed in 1994, based in Chicago. The band is headlining festivals across the nation and beyond this year alongside acts like Beck, The Avett Brothers, Billy Strings, Dawes, Jason Isbell & The 400 Unit, Emmylou Harris and many others.

### SHOVELS AND ROPE

An Americana duo based in Charleston, South Carolina, Shovels and Rope bring a mix of traditional folk, country and down-right rock and roll. A festival favorite across the country, the band is best known for their energetic live performances. Out with a brand new album this spring, Manticore, Shovels and Rope will be sure to

deliver all of the goods to us on the banks of the Mississippi.

### CHASTITY BROWN

A Tennessee raised, Minneapolis-based roots musician, Brown has been covered by NPR, Rolling Stone, Paste Magazine and more, touring with the likes of the Indigo Girls and Ani DiFranco. Releasing a brand new album this spring, Sing to the Walls, Brown will be out on tour with Valerie June this summer.

### WILD HORSES

A crowd favorite from last year's festival, an up-and-coming Americana band from Grand Rapids featuring several local musicians: Jed and Ariana LaPlant, McKeon Hugh Roberts and JJ Snell. Wild Horses has quickly garnered a fervent and loyal fan base, filling the Wilcox Theater at the Reif Center this winter, and packing houses wherever they play. They made their debut

as a band on the West Stage of Grand Rapids Riverfest last year, and will be making their mainstage debut in 2022. Keep your eyes on this band!

The festival will continue to be located in downtown Grand Rapids, and will be shifting to a new community amphitheater on the grounds of the Grand Rapids Area Library, allowing for ample green space and closer proximity to the Mississippi River. Tickets for the Grand Rapids Riverfest go on sale Saturday, April 30th at www.grandrapidsriverfest.com. Tickets are \$99 for adult, \$29 kids 11-17, and free for children 10 and under. The first 500 ticket buyers have the option of Early Entrance to the festival to claim a spot!

Follow Grand Rapids Riverfest on social media for all of the latest updates.

1. The New York Life Secure Term Choice Fixed Annuity is a single premium fixed deferred annuity with a number of interest rate guarantee/surrender periods to choose from. Available in jurisdictions where approved and subject to eligibility requirements. Guarantees based on the claims-paying ability of the issuer.  
 2. Withdrawals may be subject to regular income taxes and, if made prior to age 59½, may be subject to a 10% IRS penalty. Depending on the period chosen, withdrawals during the first 3, 4, 5, 6, 7, or 8 years of the policy may be subject to surrender charges. Rates are subject to change at any time. The interest rate is an effective annual yield based on a nominal rate that is compounded daily. Yields assume no additions or withdrawals made during the guaranteed period. After the initial guaranteed interest rate period, the policy will receive a renewal rate that is guaranteed for one year. The crediting rate will not be less than the guaranteed minimum interest rate (GMIR) stated in your policy. Please call your representative for current interest rates on premium amounts of \$1.5 million or more. Policies with premium amounts of \$1 million or more require prior NYLAC approval.  
 3. The "highest ratings currently awarded" refers to the highest ratings currently awarded to any U.S. life insurer, specifically Standard & Poor's (AAA+), A.M. Best (A++), Moody's (Aaa), and Fitch (AAA). Source: Individual Third-Party Ratings Reports as of 03/30/21.  
 The policy form number for the New York Life Secure Term Choice Fixed Annuity is CC11-P113 in most jurisdictions. In some states, it may be 211-P113, and state variation may apply.  
 The New York Life Secure Term Choice Fixed Annuity is issued by New York Life Insurance and Annuity Corporation (A Delaware Corporation), a wholly owned subsidiary of New York Life Insurance Company, 51 Madison Avenue, New York, NY 10017.

## Registration Is Open for WAPOA's Grandpa's Run for the Walleye

Registration is open for the 25th Annual Grandpa's 5K Run for the Walleye. Grandpa's Run for the Walleye has become one of the signature events of the Crosslake 4th of July Celebration and will be held on the morning of Saturday, July 2nd, the same day as the fireworks over Cross Lake.

The event, based at the Crosslake Community Center, begins with the 5K Run/Walk at 8:30 AM, and culminating with the Kids Sunfish Dash at 9:45 AM.

Due to road construction closing streets normally used for the race, the 2022 5K race will not be conducted on our certified course, but it will be professionally chip timed. We anticipate the 10K race will return to our event in 2023 once road construction is completed.

Online Registration is available by following the Run for the Walleye quick link at [www.wapoa.org](http://www.wapoa.org). Participants can also sign up and pick up race packets between 4 PM and 6 PM, Friday afternoon, July 1st at the Community Center. Race day registration will be open 7:30 AM until 8:15 AM. The cost of registration for the 5K is \$30 before June 22; or \$35, June 22 through Race Day. The registration fee for the Kids Sunfish Dash (up to age 10) is \$7. All 5K registrants prior to June 22nd will be guaranteed their choice of a long or short-sleeved performance shirt.

Whitefish Area Property Owners Association (WAPOA) sponsors the race; and uses the proceeds of the race to benefit fish habitat in the Whitefish Chain of Lakes.

## Chokecherry Festival Sat., Aug. 6th

The Chokecherry Culinary Contest judging starts at 12:30pm. Categories are - 1. Jams, Jellies, Preserves, etc. 2. Pastries. 3. Wine. 4. Originality. The only rule is that chokecherries MUST be included in the recipe. You may enter in more than one category and all entries MUST be received by 11:30am.

Kid's arcade area features a wide variety of reasonably-priced kid's games, something for all sizes including Plinko, Bean Bag Toss, tugboats, fishpond, and more with prizes for the kids to win!

There's an Arts/Craft Festival all day featuring vendors to satisfy the most prudent shopper. Enjoy looking over a variety of one-of-a-kind items and local artists. Food vendors will be available to take care of that hunger craving at any time throughout the day including the Pequot Lakes/Breezy Point Lions Club's almost famous Shish-ka-Bobbers. If you haven't tried them yet, you're missing out!

Another family favorite is the Back Seat Driver game. The perfect game for that guy/gal that loves to drive the tractor around the yard - slightly more challenging due the

fact that they're blindfolded. He/she will have you to guide them through the challenge course though - fastest time with the fewest mistakes takes the prize. Many have tried, few have succeeded...

Or maybe you'd like to try pit-spitting? A tricky contest because you first have to get to the pit. Amazing results in year's past! The record is over 30 feet - Can you beat that?

There's going to be new amazing food at the Festival this year as well as some of your returning

favorites. Don't forget to get your almost famous Shish-ka-bobbers. It will be the last time this year you will be able to get yourself some! Otherwise you will have to wait until June of next year...and that's a very long time...

Did you know that Pequot Lakes is the "Official" Chokecherry Capital of Minnesota? The City filed the proclamation on June 1st, 2010 and that makes it "Official!" (You can go to <http://www.pequot-lakes-mn.gov/> to see a copy.

Can't wait to see you there!

## PROTECT OUR WATERS FROM AQUATIC INVASIVE SPECIES

**CLEAN** all visible aquatic plants, zebra mussels, and other prohibited invasive species from watercraft, trailers, and water-related equipment before leaving any water access or shoreland.

**DRAIN** water-related equipment (boat, ballast tanks, portable bait containers, motor) and drain bilge, live well and baitwell by removing drain plugs before leaving a water access or shoreline property. **Keep drain plugs** out and water-draining devices open while transporting watercraft.

In addition to the required and recommended actions listed above, take extra precautions when using **PERSONAL WATERCRAFT**:

- Avoid areas with aquatic plants before trailering personal watercraft.
- Run engine for 5-10 seconds on the trailer to blow out excess water and vegetation from internal drive, and then turn engine off.
- Clean aquatic plants and animals from hull, trailer, water intake grate, and steering nozzle before leaving water access.

## Brainerd Lakes Area's 14th Annual Walk a Mile in Her Shoes® 2022

THE INTERNATIONAL MEN'S MARCH TO STOP RAPE, SEXUAL ASSAULT & GENDER VIOLENCE

**When:** August 27, 2022 (10AM – 2PM)  
**Where:** Mills Ford 14858 Dellwood Dr N, Baxter, MN 56425

**What is it?** This is a playful opportunity for men to step into women's shoes to raise awareness about the serious causes, effects and remediations of sexualized violence against all genders.

Walk a Mile in Her Shoes® asks men to literally walk one mile in women's high-heeled shoes. It's not easy walking in these shoes, but it's fun and it gets the community talking about something that's difficult to talk about: sexualized violence.

The event is abundant with opportunities to get people talking. For preventive education, it helps men better understand and appreciate women's experiences, thus changing perspectives, helping improve gender relationships and decreasing the potential for violence. For healing, it informs the community that services are available for recovery. It demonstrates that men are willing and able to be courageous partners with women in making the world a safer place.

ALL GENDERS AND ALL AGES ARE INVITED TO WALK A MILE

**IN HER SHOES®** This event consists of individuals and teams of men, women, and others. Working together raising donations and walking one mile in high heel shoes (if able).

**Where do the proceeds go?** All proceeds from this event benefits Sexual Assault Services Inc. (SAS), located in Brainerd, Minnesota. SAS serves Crow Wing County and surrounding areas. SAS provides direct support and services for victim/ survivors of sexual assault, sexual abuse, and sexualized violence. Services provided include but are not limited to:

- Crisis intervention
- Advocacy during medical and legal procedures
- Assistance in filing Harassment and Protection Orders
- Information and referral to external services
- Support Groups
- Professional training on the nature and scope of sexual violence, and community prevention education

**How to Help:** This walk sends a direct message of the community's stand to unite against violent

acts committed primarily against women and children (although we do know it happens to men as well). In addition to the incredible awareness component of this event, it helps us raise funds that are directed to furthering our work in rape and sexual assault advocacy at the crisis center in our community. We look forward to increasing the success of this event. If your organization would like to sponsor/create a team at this year's Walk a Mile in Her Shoes® visit our website for more details

<http://www.sasmn.org/wam>  
If you cannot attend the walk, you may choose to become a sponsor by sending a financial donation made payable to: SAS WAM to the address listed below or contribute by donating a new item(s) for our silent auction. Sexual Assault Services Attn: WAM 600 NW 5th Street Suite B. Brainerd, MN 56401

**How to Register:** Register online at <https://www.sasmn.org/wam> OR mail your paper application to the above address. (Register
